Referred to Transportation and Traffic Committee.

File 159-86, By Supervisor Molinari: To consider Budget Analyst's audit of the Health Service System. Referred to Civil Service and General Administration Committee.

Requests Granted

There being no objection, the Board directed the Clerk to comply with the following requests:

By Supervisor Kopp, that letters be sent to the Uptown Parking Corporation; McCutchen, Doyle, Brown and Enersen; and Price Waterhouse requesting copies of audit performed on Bashford Newberger, Ltd.

By Supervisor Kopp, that City Attorney be requested to advise whether the San Francisco Uptown Parking Corporation has grounds for evicting Wilkes Bashford from the Sutter garage building in light of the fact that the Bashford Newberger, Ltd (women's store) up until 1984 had been operating at 316-362 Sutter Street under the garage and beginning late last year the lessee began moving out of the store to a completely separate location across the street, but under provisions of the contract the lessee was required to carry merchandise to maximize the revenue for both lessee and lessor.

By Supervisor Kopp, that City Attorney be requested to furnish legal opinion indicating whether the San Francisco Uptown Parking Corporation and/or the City and County of San Francisco can recover money damages for professional omission from any of the three auditing firms (Hood and Strong, Touche Ross and Price Waterhouse) working on the Wilkes Bashford matter for failure to detect non-reporting of revenues from employee sales.

Monday, January 13, 1986

By Supervisor Silver on behalf of Supervisor Maher, that City Attorney prepare appropriate legislation encompassing traffic proposal contained in File 158-86 to facilitate traffic flow in the Downtown Area (bordered on the north side by Washington Street, on the south side by Howard Street, on the east side by Embarcadero and on the west side by Kearny Street).

By Supervisor Renne, that letter of inquiry be sent to Director of Public Works concerning recent changes in parking zones around Galileo High School and requesting comments to proposed changes suggested by Galileo High School and the California Teachers Association.

By Supervisor Renne, that letters of inquiry be sent to the Director of Public Works and General Manager, Recreation and Park Department, concerning safety and lighting conditions at the Palace of Fine Arts to determine whether the lights at this site could be turned on during the nighttime hours.

By Supervisor Kennedy on behalf of Supervisor Walker, that letter of inquiry be sent to the City Planning Department to determine what plans exist to memorialize the work space used by Dashiel Hammett in the Lincoln Building at Fifth and Market Streets.

By Supervisor Kennedy on behalf of Supervisor Walker, that letters be sent through appropriate department heads to the General Manager, Water Department and General Manager, Civil Service, inquiring into an incident in which a city vehicle driven by a city employee was demolished to determine what disciplinary action was taken.

Requests Granted

There being no objection, the Board directed the Clerk to comply with the following requests:

By Supervisor Molinari, that letter of inquiry be sent to Chief of Police concerning abandoned vehicle at California Street and Van Ness Avenue to determine why person(s) tagging vehicles at this location have not cited vehicle abandoned approximately three months.

By Supervisor Molinari, that City Attorney be requested to prepare appropriate legislation raising the fine for abandoned vehicle from \$50 to \$200.

By Supervisor Molinari, that City Attorney be requested to prepare appropriate legislation imposing administrative fee, civil penalty or enhanced fine for abandoned vehicle to be enforced by the City Collection Bureau.

By Supervisor Nelder, that letters be sent to Department of Public Works, Municipal Railway and Police Department requesting appraisal of all bus stops to determine whether lighting needs to be increased to insure safety of patrons using public transportation during the evenings.

By Supervisor Nelder, that City Attorney advise on the requirements of Viacom in replacing and/or repairing existing sidewalk surface when the company does installation work.

By Supervisor Silver, that City Attorney prepare appropriate legislation amending Police Code Section 1092, deleting the one operator restriction for jitney operators.

Monday, January 27, 1986

By Supervisor Walker, that letters be sent to Health and Social Services Commissions requesting hearings be held to examine the issues of homeless population as posed by the growth of alternative housing such as the recently discovered shantytown and possible solutions to the problem.

By Supervisor Walker, that Budget Analyst be requested to examine the costs associated with the possible closure of Ivy Street and relocation of services and client population.

By Supervisor Walker, that City Attorney be requested to prepare appropriate legislation establishing Voluntary Youth Service Program designed to encourage support for youth service activities and after school programs by soliciting voluntary contributions via property tax returns, hotel fund tax returns and gross receipt and payroll tax returns. Solicitation should include but not limited to the inclusion of an explanatory brochure or other material to be mailed in conjunction with all property, hotel and gross receipt and payroll tax bills.

By Supervisor Walker, that City Attorney and/or Tax Collector provide information on Tax Collector's scheduling deadlines in order to determine the deadline the above ordinance must be approved in order to be included in the 1986 tax year.

By Supervisor Ward, that letter of inquiry be sent to General Manager, Municipal Railway, concerning departmental procedures for holding public hearings. The Supervisor has received numerous complaints about recent public hearings where the proposed electrification of the Number 38 Geary bus line was discussed in which citizens cited arrogant and abrupt treatment from departmental representatives who decry the opinions and concerns of the public.

By Supervisor Britt on behalf of Supervisor Hongisto, that letter of inquiry be sent to Director of Public Works concerning preferential parking program to determine the number of pending requests for studies of neighborhoods wanting preferential parking, listing the neighborhoods by name, who the contact person is for each group, date of the request, when the department anticipates completion of each study and what the resources are to complete a neighborhood study or survey.

By Supervisor Kennedy, that letter be sent to Director of Public Works requesting installation of trash and litter receptacle on the corner of Turk and Webster Streets.

By Supervisor Kennedy, that letters of inquiry be sent to Director of Public Health, Director of City Planning and Director of Public Works to determine the locations of former toxic waste disposal sites in the South of Market area, whether there has been coordination between the departments to insure the health and safety of the inhabitants and employees of the area and whether sufficient notice about the nature of these areas have been given to the residents and workers.

By Supervisor Maher, that City Attorney be requested to draft appropriate legislation which would require garages to have one floor capable of accommodating trucks with racks and oversized vans.

Monday, January 27, 1986

By Supervisor Maher, that letter be sent to Chief of Police concerning graffiti as follows: that review be made of the existing policies and codes for the prevention of graffiti and enforcement of those codes; that the effect of a more stringent police code and/or enforcement of existing codes be reviewed and implemented if determined to be practical and helpful in deterring graffiti; consideration be given to increasing penalty for vandalism which would necessitate booking procedures; and requesting information on the existing laws and their enforcement together with any recommendations for action by the Board in the legislative sense.

By Supervisor Britt, that City Attorney be requested to prepare appropriate legislation which would create commercial rent mediation and arbitration ordinance in time for consideration at the February 11, 1986 Planning, Housing and Development Committee meeting.

By Supervisor Nelder, that letter be sent to all departments, including the school district, requesting report of any City property under that department's control which is unused that may be used for housing the homeless and that copy of report be forwarded to the Budget Analyst within two weeks.

By Supervisor Nelder, that Budget Analyst be requested to provide cost analysis for converting unused property for housing the homeless within two weeks.

By Supervisor Nelder, that letters of inquiry be sent to Chief of Police and General Manager, Social Services, to determine the number of homeless on San Francisco streets at night within two weeks.

By Supervisor Nelder, that letter of inquiry be sent to General Manager, Social Services, to determine whether any other City is known to be using unused school or other properties for housing the homeless and that response be provided within two weeks.

By Supervisor Ward, that letters be sent to San Francisco Planning and Urban Research and Association of Bay Area Governments requesting study be conducted on the regional problem concerning towing of abandoned vehicles.

By Supervisor Hongisto, that letter be sent to the Director of Public Works requesting investigation of sewer problem adjacent to property located at 601 29th Street.

By Supervisor Hongisto, that letter of inquiry be sent to the Chief of Police concerning possible opening of an after hours night club known as the Stones.

By Supervisor Kopp, that City Attorney be requested to prepare appropriate legislation which would prohibit off-street loading privileges on designated streets; such as, Stockton and Geary and Stockton and Post Streets.

Monday, March 3, 1986

By Supervisor Kopp, that City Attorney be requested to prepare appropriate legislation which would make the Board of Supervisors the final authority for determining whether a negative declaration or an environmental impact report (EIR) should be issued with respect to any project which requires Department of City Planning approval.

By Supervisor Kopp, that letter be sent to the District Attorney requesting investigation be conducted to determine whether the source of monies for campaign contributions to various City officials by the Jamestown Company and/or Ms. Sylvia Lichauco on behalf of the development project at 212 Stockton Street was, in fact, the General Service Insurance System, the Philippine government pension fund. Such funds would constitute a violation of both Filipino and United States Federal law.

By Supervisor Kopp, that letter be sent to the Grand Jury concerning above subject matter to determine whether the Grand Jury would be interested in pursuing such investments.

By Supervisor Molinari, that letter be sent to the Chief of Police requesting increased enforcement of the parking regulations in Residential Permit Parking Area "C".

By Supervisor Molinari, that letter of inquiry be sent to the City Attorney to determine if there is a law suit pending or threatened by the City of East Palo Alto regarding the contract that the Purchaser has entered into with an East Palo Alto firm for the removal of abandoned vehicles.

By Supervisor Molinari, that Budget Analyst be requested to determine the cost of maintaining the cashier windows in the City Treasurer's Office and the reason the City still provides this service.

By Supervisor Nelder, that City Attorney draft appropriate legislation which would allow parking of cars in private driveways when sufficient space remains to allow pedestrian traffic and the vehicle does not encroach on the sidewalk.

By Supervisor Nelder, that City Attorney draft appropriate legislation which would vacate Stevenson Alley, between Tenth and Jessie Streets.

By Supervisor Nelder, that letter of inquiry be sent to the San Francisco Unified School District concerning rodent infestation at Francis Scott Key Alternative School to determine what efforts have been made to control this problem, how many children attend the school and what rooms are not in use because of rodent infestation.

By Supervisor Renne, that City Attorney be requested to prepare appropriate legislation which would establish a revolving fund to expedite transactions relating to the Minority Business Enterprise/Women Business Enterprise Ordinance.

Monday, March 3, 1986

By Supervisors Renne and Britt, that letter of inquiry be sent to the Director of Public Works concerning parking modifications on Treat Avenue, between 25th and 26th Street, between Harrison and Folsom Streets and facing on Garfield Square Park to determine whether recommendations of establishing perpendicular parking are feasible.

By Supervisor Silver, that letter be sent to the Mayor relative to fluoridation of drinking water to indicate that there has been no change in Board action on this matter.

By Supervisor Silver, that City Attorney be requested to investigate and advise whether there are any violations of law for contributing to political campaigns by foreign entities and whether there was violation of law where an officer of a company issued a personal check and was thereafter reimbursed by the company.

By Supervisor Walker, that letter of inquiry be sent to the Chief Administrative Officer to determine whether City Hall Rotunda could be made available, at little or no cost, for a victory celebration for the Filipino community on April 12, 1986, between 6:00 p.m. and midnight.

By Supervisor Walker, that letter of inquiry be sent to the Director of Public Works concerning France Street, between Moscow and Munich Streets, to determine what plans, if any, the department has for resurfacing or reconstruction of this street.

By Supervisor Britt, that letter be sent to the General Manager, Public Utilities Commission, inquiring whether the Municipal Railway Senior Information Transit Clerk Communication's Department #9124 position has been filled and if not, what the intent of the Commission is regarding this vacancy.

By Supervisor Britt on behalf of Supervisor Kennedy, that letter be sent to appropriate departments inquiring about the City and County's transactions with Shell Oil Company and to determine the amounts of money and types of transactions involved.

By Supervisor Britt on behalf of Supervisor Kennedy, that letter be sent to the Director of Public Works concerning feasibility of establishing traffic control device at the intersection of Jules Street and De Montfort Avenue (corner where St. Emydius School is located).

By Supervisor Britt on behalf of Supervisor Kennedy, that letter be sent to the Director of Public Works concerning the intersection at Laguna and Bay Streets to determine whether a "No Turn on Red" sign could be established for traffic turning from Bay to Laguna Streets; flashing yellow device could be changed to a "left turn green arrow" control device and the light for the crosswalk could be re-timed to allow a pedestrian to walk across the street.

Requests Granted

There being no objection, the Board directed the Clerk to comply with the following requests:

By Supervisor Silver, that the City Attorney be requested to prepare a resolution in support of AB 4001, which would require every business which handles hazardous materials to submit a copy of their business plans and chemical inventories to a state review team, which team would be required to designate high risk facilities, require monitoring and to develop a program to reduce and control the release of hazardous materials.

Monday, March 24, 1986

By Supervisor Silver, that the City Attorney be requested to prepare a resolution in support of AB 3238, which would require the Occupational Safety and Health Standards Board to adopt a standard to require proper maintenance and operation of building ventilation systems in order to provide for adequate air supply.

By Supervisor Silver, that the City Attorney be requested to prepare a resolution in support of AB 3052, which would require the State Air Resources Board, in consultation with other state agencies, to begin to gather information and determine exposure and measurement criteria relative to toxic air contaminants in indoor environments.

By Supervisor Silver, that the City Attorney be requested to prepare a resolution in support of AB 2904, which would prohibit incineration of hazardous wastes until after a definitive study is completed.

By Supervisor Nelder, that the City Attorney be requested to prepare legislation to ban smoking in common areas in senior citizen residences, or, in the alternative, to provide common areas adequate to accommodate both smokers and non-smokers.

By Supervisor Kopp, that a letter be sent to the Chief Administrative Officer inquiring what the city and county has done relative to the choice of a primary long distance telephone system and whether it has taken bids for such service. The Supervisor requests a response to his inquiry by March 31.

By Supervisor Ward on behalf of Supervisor Kennedy, that a letter of inquiry be sent to the Department of City Planning, requesting it to conduct an investigation to determine the number of additional rental housing units that could be created in areas currently zoned RH-2, RH-3 and RH-4 if the potential for housing development in those undeveloped areas were maximized.

By Supervisor Ward on behalf of Supervisor Kennedy, that a letter be sent to the Public Utilities Commission inquiring about the accuracy of the setting of the MUNI Metro transfer machines, as the Supervisor has been informed the time stamped on transfers issued by the machines do not accurately reflect the correct time and passengers are shortchanged on the amount of time within which they may use the transfer.

By Supervisor Ward on behalf of Supervisor Kennedy, that a letter be sent to the Mayor and the Chief Administrative Officer, inquiring whether reduced costs of oil will be reflected in updated estimates of budget proposals and whether the reductions in costs will reduce our projected budget deficit.

By Supervisor Ward on behalf of Supervisor Kennedy, that the City Attorney be requested to draft legislation that would enable the City and County of San Francisco to issue financing for markets other than the municipal bond market.

By Supervisors Renne and Walker, that a letter be sent to the Capital Improvements Advisory Committee, bringing to its attention the status of the structural safety engineering study of the M.H. de Young Memorial Museum, and advising of the Board's support for the completion of the studies so that they can be carried out in a timely manner and produce engineering/architectural cost estimates of options to correct the structural deficiencies.

Monday, March 24, 1986

By Supervisors Walker and Renne, that a letter be sent to the Fine Arts Museums of San Francisco, supporting the need for Phase II of the engineering analysis for the California Palace of the Legion of Honor.

By Supervisor Renne, that a letter be sent to the Public Utilities Commission and the Department of Public Works, transmitting a petition from the neighborhood residents of the SAFE Nineteenth Streeters concerning installation of additional peripheral lighting on telephone poles surrounding the boundaries of Dolores Park, and urging expeditious implementation of the street lighting proposal.

By Supervisor Walker on behalf of Supervisor Molinari, that a letter be sent to the Chief of Police indicating there are widespread reports of violations by bicycle messengers of laws regarding licensing, identification and traffic, and inquiring what is being done to enforce them.

By Supervisor Maher, that a letter be sent to the Chief of Police regarding auto burglaries in Bernal Heights, inquiring whether stepped up surveillance of the area may be indicated, and requesting that he provide advice to the neighborhood group which was formed in an effort to combat the crimes.

By Supervisor Walker, that the City Attorney be requested to prepare an amendment to the Building Code to require that residential tenant occupants receive mailed notification of the issuance of an alteration permit.

By Supervisor Walker, that a letter be sent to the Recreation and Park Commission, through the Mayor, inquiring whether snorkels are permitted in city pools - specifically the Rossi Pool - and, if not, whether a policy should be adopted to permit disabled persons to use a snorkel in them.

By Supervisor Walker, that the City Attorney advise whether City Planning Commission Resolutions 79-79 (1978) and 67-45 (1971) are binding with respect to new development on Bernal Heights.

By Supervisor Ward, that a letter be sent to the Department of Public Works, requesting that consideration be given to placing Stop signs at the corners of 45th Avenue and Rivera Street and 45th Avenue and Santiago Street.

Requests Granted

There being no objection, the Board directed the Clerk to comply with the following requests:

By Supervisor Renne, that letter of inquiry be sent to the Mayor raising question whether the concept of a San Francisco Museum may be incorporated into any study being conducted relative to use of space in Civic Center.

By Supervisor Renne, that letter of inquiry be sent to the San Francisco Arts Museum concerning recently discovered pieces of San Francisco history in the Financial District to determine whether the merchandise could be exhibited by the San Francisco Fine Arts Museum.

By Supervisor Renne, that letter of inquiry be sent to the Mayor and Health Commission to ascertain when the Tenderloin Drop-in Center will be operational.

By Supervisor Walker, that letter of inquiry be sent to the Director of Public Works concerning status of building inspection at 1679 11th Avenue to determine if there is any asbestos on the property and whether there are plans to remove such asbestos prior to the demolition of the building.

By Supervisor Walker, that letter be sent to the Director of Public Health inquiring whether any data exists which addresses the health hazards associated with the release of asbestos in association with demolition sites and adjacent properties; and if so, what measures should be taken to minimize the adverse health impacts of demolition projects.

Monday, March 31, 1986

By Supervisor Walker, that City Attorney be requested to prepare appropriate legislation urging support of AB 2752, relating to insurance coverage for mental health services.

By Supervisor Walker, that City Attorney be requested to prepare appropriate legislation which would amend Administrative Code Sections 23.7 through 23.17 to allow City College to be treated as a "department" in order to qualify for the inter-departmental transfer of real property.

By Supervisor Walker, that letter be sent to the Director, City Planning, inquiring what the permitted floor area ratio is for the International Hotel site and if it exceeds the maximum FAR allowed in the Downtown Plan. What plans, if any, are in place which would reduce the allowable FAR in Chinatown and other areas which are currently in excess of Downtown Plan FAR limitations.

By Supervisor Ward, that letter be sent to the Mayor requesting study be conducted to determine feasibility and practicality of placing all services of the City pertaining to children under one office.

By Supervisor Ward on behalf of Supervisor Kennedy, that letter be sent to the Director of Public Works requesting study be conducted to determine the possibility of instituting restricted permit parking in the area bordered by McAllister Street, Broderick Street and Golden Gate Avenue.

By Supervisor Ward on behalf of Supervisor Kennedy, that letter be sent to the Chief of Police requesting investigation of alleged abusive use of sound amplification equipment by various street performers in and around Fisherman's Wharf and the Cable Car Turnaround.

By Supervisor Britt, that letter be sent to the Presiding Judge, Municipal Court, relative to the telephone number listed on traffic citation. It appears that the number listed for information concerning the cost of the ticket is in effect, a non-working number. The line is either continuously busy or callers are placed on "hold" and eventually "cut-off". The Supervisor would like to know what plans are contemplated to solve this particular problem.

By Supervisor Hongisto, that letter be sent to Daniel Conrad and Sarah Wilcox congratulating them on the birth of their son, Paul Victor Conrad.

By Supervisor Hongisto, that letter be sent to the Director of Public Works requesting investigation of several large trees located in front of 77, 79 and 87 Central Avenues to determine whether these trees are blocking out street lighting and need to be cut back.

By Supervisor Ward on behalf of Supervisor Kennedy, that letters be sent to appropriate departments requesting coordination in performing a survey on how other major cities deal with the problems of abandoned vehicles, towing, delivery vehicles and parking and that the results of this survey be available for discussion in conjunction with hearing on whether the City and County might benefit from the use of the "Denver Boots".

By Supervisor Ward on behalf of Supervisor Kennedy, that City Attorney be requested to prepare appropriate legislation memorializing the State Legislature to authorize local jurisdictions to establish traffic control regulations such as the use of the Denver Boots".

Monday, March 31, 1986

By Supervisor Ward on behalf of Supervisor Kennedy, that City Attorney be requested to prepare appropriate legislation which would authorize imposition of a condition to release of a hold on a motor vehicle that proof of re-registration be shown and payment of fine; authorize reinstatement of a hold on a motor vehicle if a court-ordered installment payment is missed; authorize personal liability for violation of traffic laws (liability is against the license and not the individual); authorize removal of license plate; authorize service of warrants against drivers who default in payments; authorize limited fine-reduction program; authorize the amendment of state automated records to include information on the number and type of outstanding citations against the individual that is stopped in a traffic stop and authorize use of automated systems that will increase the effectiveness of enforcement.

By Supervisor Ward on behalf of Supervisor Kennedy, that Clerk of the Board transmit copy of New Orleans Visitors Parking Guide brochure (Park Smart in the French Quarter and the Central Business District) to appropriate departments for review as an alternative or supplemental method for enforcement of traffic laws.

By Supervisor Ward on behalf of Supervisor Kennedy, that letter of inquiry be sent to the Chief of Police concerning drug-related problems in the Dolores Park area to determine what additional actions can be done to combat the problem and whether there are plans to decrease the weekend mounted patrol units.

By Supervisor Walker, that Budget Analyst be requested to review first quarterly report dated March 28, 1986, submitted by the San Francisco Housing Authority to ascertain whether the Housing Authority's obligations specified under Board of Supervisors Ordinance Number 167-85 are reasonable requirements.

By Supervisor Walker, that letters be sent to the General Manager, Department of Social Services and San Francisco Unified School District inquiring into the status of the State Latchkey Plan and associated funds.

By Supervisor Walker, that letter be sent to the Social Services Commission requesting status report on the implementation of the WorkFare Program.

By Supervisor Walker, that letter be sent to General Manager, Public Utilities Commission, inquiring as to the time line now proposed to resolve the bus shelter impasse and to ensure that bus shelters are in place by winter of 1986.

By Supervisor Walker, that letter be sent to the District Attorney and Director of the Victim/Witness Program inquiring how Justice for Murder Victims and the Victim/Witness Project work together, how they complement and/or duplicate services to victims.

By Supervisor Ward, that letter be sent to the Chief of Police requesting information on bicycle messengers as follows: number of messengers in the City; number of accidents involving messengers and results of any such statistics; number and kind of traffic violations, number of complaints received, and number of citations issued in the last five years and any recommendations or other pertinent information the Police Department may have regarding bicycle messengers in San Francisco.

By Supervisor Ward, that letters be sent to appropriate departments concerning businesses involved in recent fire in the Bayview area in order to obtain the following information: what kinds of businesses and number of permits issued in each of the last five years for the building that burned; number of persons employed in each business; types of hazardous materials stored in each business and total number of businesses in the immediate vicinity, specifically south of Army Street and east of Bayshore Boulevard, in the industrial areas in the southeast sector of the City and the number of persons employed in each.

By Supervisor Ward, that City Attorney review the Charter and other legal requirements for specific departments to issue permits, provide inspection, etc. and render an opinion regarding the City's liability in cases of fire resulting from hazardous waste storage and that copies be provided to the Fire, Public Works, Health and Police Departments.

By Supervisor Ward, that letter be sent to the Chief Administrative Officer requesting what procedures for assuring the safe storage of hazardous wastes are in practice and what plans and procedures are made available to businesses and communities.

Monday, April 7, 1986

By Supervisor Ward, that letters of inquiry be sent to the Chief of Police and Director of Public Works concerning traffic along the Third Street Corridor from China Basin to Revere Avenue to ascertain the following information and that copy of response be forwarded to Cal Trans and the California State Highway Patrol: number of heavy trucks and citations for speeding and violation of traffic regulations; what enforcement procedures are in place for the existing ordinances governing such violations; are there statistics about the number of trucks during peak hours on Third Street.

By Supervisor Hongisto, that letter be sent to the City Attorney asking whether San Francisco codes, ordinances or regulations allow, either with or without permit, businesses or persons to engage in spraying of lacquer or other highly volatile flammable substances in any building with multiple stories or occupied by persons or businesses not connected with the person or business engaged in the spraying of lacquer or other highly volatile flammable substances.

By Supervisor Hongisto, that letter be sent to the Code Enforcement Section of the San Francisco Fire Department inquiring when the last inspection was carried out at 1070 Revere Avenue for compliance with applicable code provisions relating to the use of flammable materials in the businesses located there, and particularly with respect to the spraying of lacquer and other highly volatile materials; and whether any permits were issued for the use of flammable materials, particularly the spraying of lacquer and other highly volatile materials, for any of the businesses located at this site.

By Supervisor Kennedy, that letters of inquiry be sent to the Fire and Health Departments asking what contingency plans are in place for reaching a disaster site when roadways are impeded and what plans are in place for protecting the rest of the City during a disaster.

By Supervisor Kennedy, that letter be sent to the Director of Public Works requesting study or survey to determine whether the Stop signs may be rescinded at the following intersections: 21st and Douglass Streets (all four Stop signs); 23rd at Eureka Streets; Eureka at 22nd Streets; Diamond at 23rd Streets; Douglass at Alvarado Streets and Grandview at 24th Streets.

By Supervisor Kopp, that City Attorney be requested to prepare Charter amendment which would establish a special fund for Fire Department for use in providing emergency water supply for the City.

By Supervisor Kopp, that City Attorney be requested to prepare written advice on why the completed bidding procedure for transit shelter is not acceptable.

By Supervisor Molinari, that Budget Analyst be requested to investigate the availability of State funds for undergrounding of overhead utility lines.

By Supervisor Molinari, that letter of inquiry be sent to the City Planning Department and the City Attorney asking why it takes over a year and one-half for City Planning Department and the City Attorney to take code abatement action against people building without permits.

Monday, April 7, 1986

By Supervisor Ward, that City Attorney be requested to review and provide opinion by April 10, 1986, on following language as an amendment to proposed ordinance amending Administrative Code requiring that private contractors awarded contracts for City work be required to offer employment to employees of the immediate predecessor private contractor, if any: "WBE/WBE/LBE contractors shall be exempt from the provisions of this ordinance, except that in no instance shall that exemption adversely affect rights of present employees that have been won by their authorized bargaining representative in accordance with law."

There being no objection, the Board directed the Clerk to comply with the following requests:

By Supervisor Molinari, that letter of inquiry be sent to the Chief of Police to determine why he is not staffing all of the mechanical streetsweeping routes with parking control officers, considering that these are revenue-producing positions.

By Supervisor Molinari, that letter be sent to the General Manager, Recreation and Park Department, relative to the windmill located at the corner of Lincoln Boulevard and the Great Highway, requesting information concerning maintenance of the roof of the windmill, which is in need of repair.

Monday, April 14, 1986

By Supervisor Molinari, that letter of inquiry be sent to the Water Department concerning complaints about the pruning of trees at the Sunset Reservoir to determine why the trees were so severely pruned.

By Supervisor Nelder, that City Attorney be requested to draft appropriate legislation establishing a "San Francisco Visual and Performing Arts Hall of Fame" and committee responsible for the selection of appropriate display materials honoring outstanding artists whose roots are in San Francisco from the following fields: painting, sculpture, acting, humor/comedy, cartooning, music, literature (fiction, non-fiction, poetry), dancing, architecture and film.

By Supervisor Nelder, that letter be sent to the Director of Public Works inquiring into the rationale behind requiring San Francisco residents to pay for parking permits in their own neighborhoods, how long the requirement has been in place and how San Francisco compares to other cities with respect to the sale of residential parking permits.

By Supervisor Nelder, that letter be sent to the Tax Collector requesting information concerning the amount of revenue generated annually by the sale of residential parking permits.

By Supervisor Nelder, that City Attorney be requested to prepare appropriate legislation which would delete provisions requiring San Francisco residents to pay for residential parking permits in their own neighborhood.

By Supervisor Silver, that letters be sent to the Chief of Police, Director of Health, Director of Public Works and landlord for the Hard Rock Cafe urging them to discuss problems of property destruction and public nuisance at the Hard Rock Cafe and present proposals for solutions at a hearing before the Public Protection Committee.

By Supervisor Ward, that letter of inquiry be sent to the General Manager, Recreation and Park Department, concerning closing or designating certain parks throughout the City for use of roller skaters, skateboarders, bicyclists and other recreational use and that study be done to identify which parks have areas which could be closed; feasibility of installing concrete or asphalt to accommodate skateboards and roller skates; estimated costs for implementing suggestions above and feasibility and cost of using neighborhood youth volunteers to assist in constructing recreation areas or using Conservation Corp to do construction work.

By Supervisor Ward, that City Attorney be requested to comment on liability the City incurs or could incur in closing off streets and other areas in our parks for the use of skateboarders, bicyclists, roller skaters and other such recreational users.

By Supervisor Ward, that letter be sent to the City Librarian inquiring what procedures are in place for identifying and discarding old and surplus library books which cannot be sold and if procedures exist by which such books could be given to senior, prisoner, youth and any other civic groups.

By Supervisor Ward, that City Attorney be requested to provide opinion on whether any legal impediments exist to donating old and surplus library books to senior, prisoner, youth and any other civic groups.

Monday, April 14, 1986

By Supervisor Ward, that letter of inquiry be sent to the General Manager, Municipal Railway, concerning printing of public transit schedules, to ascertain whether printing of the schedule was reduced from four to two a year and whether the public was notified of this change.

By Supervisor Britt, that letter be sent to the Director of Public Works concerning curbs located at 3736 22nd Street which were inadvertently pulled out by the department, inquiring into the department's responsibility for replacing the curbs.

By Supervisor Kopp, that City Attorney be requested to prepare appropriate legislation amending Traffic Code by amending Section 315(a) regarding persons who park in Residential Preferential Parking areas without a permit, to reduce the fine for such actions from "not less than twenty dollars (\$20.00) nor more than sixty dollars (\$60.00)" to "not more than twenty dollars (\$20.00)".

By Supervisor Kopp, that City Attorney be requested to prepare appropriate legislation amending City Planning Code by amending Section 306.7, to require specific ten day prior notice in writing of any legislation affecting property classification or use.

By Supervisor Silver, that letter be sent to the Director of Public Works requesting comments regarding the use of sodium hypochlorite in our sewer system.
